Department of Chemical and Biological Engineering

## Emergency Spill Procedure

1. Notify individuals in the immediate vicinity that there is a spill
2. Immediately notify Risk Management Services (604) 822-2029
3. Immediately notify Ivan Leversage(Safety Program Officer) 604 328-7423
4. Use absorbent material from the emergency spill kit to confine, contain and cover the spill
5. Sweep absorbent material into a dust pan and place in a container for disposal
6. Contact Bang Dang (Environmental Services Facility) 2-1285 for instructions on the disposal of clean up material
7. Report the incident to your supervisor and submit a spill reporting form to Ivan Leversage(Safety Program Officer)

If the spill is too large for you to handle, call 911 for assistance immediately.
